

2015 First Hand Comments

Anonymous - 22 December, 2015 - SA

As a proud South Australian I was more than pleased to be asked to pick a wine at a recent gathering of companies from all around the world in Indianapolis, USA. My recommendation and selection was your Blue Eyed Boy. I was really excited to receive this email today and wanted to share it with you. Congratulations on a fantastic brand and exciting range of wines. Keep up the great work. "Just wanted to let you know that I introduced my friends to the Mollydooker wines and they are a hit here in St. Louis. Our local wine shop has The Boxer, Two Left Feet, Blue Eyed Boy, and the Carnival of Love. We have all settled on Blue Eyed Boy and are now buying it in quantity. Whenever I stop in to get more I get asked "who are you people that are buy all this bloody wine?" Just wanted to pass on a tip of the hat in thanks and to let you know your mates at Mollydooker owe you a favor!"

Attached is a picture of our very own Mr. Lynn, Mrs. Vigeant, and Mr. Nemeth with very close supervision from the Mollydooker Rep Tom Edmonds learning the Mollydooker Shake. It was an incredible evening! Kudos to everyone in making this such a great experience for everyone. There are not enough words to express how much I love your wines and customer service. It is setting the bar for everyone in the industry.

Thank you so much for doing a tasting here at our new home. Everyone is still telling us how great it was to meet you and how much they love your wines. (but of course!) You are such a dear friend, please come and see us again soon. You know you are welcome anytime!

It's been a busy couple of weeks preparing for my wedding. We love your wines and decided to buy the Carnival of Love to put in our small cellar to open for our 5th wedding anniversary. My wife loves your wines and, since she introduced me, I do as well. Thank you so much for reaching out to us. We plan to continue to purchase from you (hopefully in higher quantities) in the near future.

Just really want to say a really big thank you for your very generous gift to try the 'Girl on the go'. What a wonderful thing to do!! Your wines are so yummy; my hubby and I just recently enjoyed a bottle of Enchanted path and a Boxer 2 weekends ago when a very lovely friend visited and brought the 2 bottles with him (God bless that man). Very nice friend, very nice wines!!

Mike C - 31 October, 2015 - San Diego, CA

We had a grand time visiting your winery on Oct 26th. Andrew is exceptional as a tour leader, knowledgeable and friendly, he made our visit extraordinary. We also enjoyed the unexpected pleasure of meeting Janet and Luke. I've been enjoying your wines ever since the Marquis-Phillips label first arrived in San Diego, this visit put many things in perspective. Keep up the good work.

We arranged a wine tour through McLaren Vale with a group of 16 people, Mollydooker was our final stop of the day - & for most of us it was our first visit there! A small, intimate but quirky atmosphere, Mollydooker is a hidden gem in the region! Tom & Scott hosted our tasting. These guys have an undeniable passion for their product & kept the vibe fun while telling us all about the wines! Beautiful wines, great vibe - definitely worth a visit if you are in the area! Thanks for having us Mollydooker.

We have been Mollydooker fans for quite some time and my wife and I specifically visited your winery yesterday. Tom took us and others through your selection of wines and apart from the fun of tasting and purchasing some of these wines that we hadn't tasted before we were all very impressed with Tom, his welcoming approach, his energy and passion. Well worth the trip and we came away bigger Mollydooker fans. Thank you.

Maz & Jim D and the Hutchings family – 5th July

Each visit to Mollydooker reveals new experiences - all of them so enjoyable, always outstanding staff.

Lynn P – 28 June, 2015 – Vernon, CT

Dear Janet, I apologize for taking so long to do this, but I want to thank you for your hospitality when I visited you. The day I spent at Mollydooker was the highlight of my vacation. My friends want to hear about koalas and kangaroos, but all I want to talk about is the awesome time I had with you and your family. Thank you so much for the Mollydooker barrel top serving board, it is on my kitchen table, where it has been since I got home.

Warren – 23 June 2013 – Upper Coomers, QLD

I think the only mistake I made was going to Mollydooker first on our 3-day expedition. Seriously, we started on too much of a HIGH - OMG. The "2 hour Tour" was much like Gilligan's Island, 2-hours turned into 3hrs, then 4.... we didn't want to leave & we nearly called back in on Sunday morning. We laughed so

so so much, shared stories, ate, drank & enjoyed your company like we hadn't seen old friends for many years & were just catching up again. The other wineries may have been good, unfortunately for them our experience & we all agreed that with the Mollydooker family luncheon/tour will live on for many, many years with our group of friends as the best in McLaren Vale. It was Simply the Best! Thankyou again for the birthday cake... for the delicious spread of food... PS – I left my mark on your wall..... Like good a friend I like to leave more than just a good impression on the day ☺

D'Shawn – 23 June, 2015 – Laguna Beach, CA

I had 2 bottles of the 2005 and shared them both with friends a few weeks ago. They were absolutely delicious and showed beautifully!!

Ingrid & John O - 4 June, 2015 - Adelaide, SA

... We are both still raving about our experience at your cellar door. The wines were delicious and totally moreish, and the service during the tastings was exceptional. Sam's effusive attentiveness, her responsiveness to our comments and her knowledge of your wines truly enhanced the savouring of the wines. And then to top it all off was the extended hospitality that I received when given the opportunity to view the special, velvety shiraz as well as taste it.....and then also a drop of your 2010 sparkling red. (I'm sorry, though, I can't remember the gentleman's name who treated me to those special drops). Wow! John and I left the vineyard uplifted and drove back to Adelaide smiling all the way. We had a ball and are very appreciative of the hospitality. Many, many thanks. There is definitely a whole lotta love and pride that permeates Mollydooker Wines.

Mani M - 20 May, 2015 - Staten Island, NY

I just tasted the best wine in my life. I've spent \$400 and up for wines in the best restaurants in NY. Velvet Glove 2013 is the best ever! My husband who is not into wine was so impressed and he asked for the second glass within an hour... I can't thank you enough Anita for your effort to send this to the hotel. I really wish I could meet and thank you in person. Please give our heartfelt appreciation to the owners and all involved who create such a master piece. With love.

Claz12 - Trip Advisor - 20 May, 2015 - Brisbane, QLD

I had been told about this remarkable wine called 'Velvet Glove' that a winery called Mollydooker produced. It was out of our budget for an everyday wine, but I ordered one as a 30th birthday present for my partner. The wine was delayed in the post, despite having been sent 'express' post. I enquired as to its whereabouts with the Helping Hands at Mollydooker, and from that point forward, the service I received was above and beyond amazing! Communication between myself and Mollydooker was constant and informative, I was much too generously compensated for the inconvenience and finally the wine arrived. I was not disappointed! It is a beautiful bottle of wine - delicious and stunningly presented. My sincere compliments and gratitude go to this fabulous team, in particular Anita for her patience and good humour, and I look forward to enjoying Molly wines for years to come!!

Roman & Kehren - 21 April, 2015 - Adelaide, SA

Love is in the air! Our good friend Roman recently decided to pop the question and Kehren said 'YES'. Here is a message from the lovely couple: 'Thank you so much. We are both still very excited and have been celebrating with our families. Our favourite part of our story is telling everyone about the warm and generous people at Mollydooker and how generous and friendly you all were. It really was an unforgettable day for us and we can't thank you enough.'
We wish you both all the love and happiness for the future.

Hello Mr. and Mrs. Marquis, I didn't want to let too many moments pass without letting you know how absolutely wonderful Jenny Childers is, although, I'm sure that you already know that. My friends and I had the absolute pleasure of meeting Jenny last week, while she was here for the Pebble Beach Food & Wine event. Jenny was kind enough to introduce Mollydooker to some dear dear friends of mine during a lunch last Friday. Needless to say, my friends were blown away by the wines, just as I knew they would be. They are just so darn yummy!! But even more so, Jenny was just so dear, so friendly, so knowledgeable and so passionate about the wines. Her enthusiasm and passion was just contagious. My friends and I just love sitting around a table of good friends, good food and good wine and last Friday was no exception. I joined the Winemakers Dozen and I know another friend will be joining soon. Can't wait to get those bottles in our hot little hands so that we can share them with some of our other friends who are jealous they didn't get to taste last week! Kudos to you both for finding Jenny, what a gem. And thank you for all your passion to create some amazing vino... Just sorry that you're not closer so we can come to the wineryThat's a bucket list item for sure!! Cheers to You.

Enjoying my favorite wine on our vacation in Cabo San Lucas, Mexico!

Atul K - 5 April, 2015 - Hermosa, CA

Wanted to reach out and acknowledge appreciation phone calls from the Winery on a regular basis to my Hermosa Beach restaurant. We have been on-board with your wines since inception. They are wonderful and do not need marketing or push at our restaurants. The wines sell on their own qualitative factors, coupled with over a decade old Fan base. Continue to make the wines that my customers love and pricing they can afford. Thank you for allowing us to be the conduit for fine wine sales.

Digital Embassy Team - 2 April, 2015 - Adelaide, SA

What a classic photo! Just a regular Thursday afternoon in the office of our Website Developers, Digital Embassy.

Maura & Bill M - 26 February, 2015 - Sedona, AZ

Thanks to all the Mollydooker team for making such incredible wines! We were sitting next to a couple at a restaurant in our home town a couple of nights ago. We ordered "The Maitre D". Our server knew us, knew Mollydooker and did the Mollydooker shake! Needless to say, the couple nearby was intrigued. '...I insisted that the gentleman, who loved Cabernets, try a glass of our Molly. He loved it! All in all, it was a lovely night and we were so happy to introduce someone to your wines.

Andrew & Judy S - 11 February, 2015 - Washington DC

We were overcome with joy to hear that we were one of the lucky winners of the 2005 Carnival of Love. Mollydooker is the "go to" wine of the Sherman household. You'll find The Boxer or Two Left Feet on the kitchen counter at all times as the perfect end of the day elixir. Steaks, great friends and BBQ's are accompanied by Blue Eyed Boy, special occasions warrant the opening of Enchanted Path or Carnival of Love and we recently enjoyed our first bottle of Velvet Glove to celebrate the move into our new home. So just as we were trying to figure out what to drink to celebrate our 30th Wedding Anniversary, you solved that problem. Why not celebrate a marathon of love with a Carnival of Love.

Jaz & Team, Favorite Brands - 5 February, 2015 – Texas

Very exciting! As always, we will take whatever amount of wine you will release to us with full confidence that we can sell every drop. Thank you for your continued partnership

Chris B - 30 January, 2015 - San Francisco, CA

I had a chance to stop by your vineyard in McLaren Vale and taste wines a couple weeks ago. It is a very beautiful place and area and your staff are great. It was great to put that picture to the wonderful wines you have.

Francois S - 12 January, 2015 - Montreal

Greetings from Montréal folks! I tasted your outstanding wine last Friday – and experienced the Mollydooker shake. What a pleasant shock! Shaking did reveal the fruitiness of the wine. Three wine aficionados were delighted – and also learned something new. Thanks and kudos for producing such delicious course materials.

Sandy B - 5 January, 2015 - Canada

Had The Boxer the other day. Wonderful. Good luck in 2015. Keep up the great work!

John W - 1 January, 2015 - Massachusetts, USA

"Your wines are not so easy to find, especially on Cape Cod where I live. My local store was able to come up with but a single bottle of 2012, at a price I choose not to remember.

I collected it just before Christmas and rather foolishly, left it on the kitchen counter meaning to cellar it for a while.

Culinary fate intervened on Dec 23rd. I went off to a doctor's appointment while my wife was preparing dinner for our two sons arriving later that day. She needed red wine for braising duck legs. What better than a bottle of Aussie 'red ned' with a screw cap and a pretty label? (We lived in Oz in the early seventies). It wasn't until late afternoon that I realized the recapped bottle was only half full.....

The duck was delicious and the remaining wine certainly had time to breathe.....it too was wonderful, though not quite as I had planned. Happy New Year!"
